Gentlemen:

Permit is hereby granted to Merle Buerkett and Bill Poston to modify development and operation at the above referenced site all in accordance with the application and plans prepared by Gregory D. Kugler and James Douglas Andrews, P.E., said application and plans consisting of 15 pages dated February 16, 1983 and received by the Agency February 16, 1983.

This permit is granted subject to the following special conditions:

1. Netting shall be placed over the straw mulch and maintained as long as necessary to keep the straw in place.
2. This permit does not release the permittee from obtaining permits from the Illinois Department of Transportation fulfilling on the State right-of-way or complying with the terms and conditions of those permits.
3. Any special wastes used in the slope stabilization program shall be shipped using the Agency's supplemental permit and manifest system.
4. Bedding straw containing fecal material shall not be used as mulch.

Except as modified in the above documents the site shall be developed and operated in accordance with the terms and conditions of permit number 1975-1-OP.

Very truly yours,

  
Lawrence W. Eastep, P.E., Manager
